TITLE : PRODUCTION FOR IMMOBILIZING
ACTIVATED SLUDGE

ABSTRACT : PURPOSE: To easily and continuously produce the title sludge by dropping a mixture of a carrier substance and activated sludge into liquid at a gelling temp. or below and producing immobilizing activated sludge.

CONSTITUTION: A mixture 2 of a carrier substance such as polyvinyl alcohol and activated sludge is dropped by constant amounts into substance allowed to gel at low temp. such as low-temp. ethanol 1. Thereby small granular immobilizing activated sludge can be continuously produced.
